

# The ACHIEVERS' SCROLL

VOL: VI

MARCH 2024

## DIRECTOR'S DESK

**Hon. Achyut Sawantbhonsale**  
Executive Chairman, SYBES

I am incredibly happy to know that Civil Department is coming with its another issue of Newsletter 'Achievers' Scroll' for the academic Year 2023-24. Today, the role of the institute is not only to pursue the academic excellence but also to nurture the holistic development in them. I appreciate the efforts taken by the department for the overall development of students. On our part, we are always trying to provide the best to our students. Definitely, our future engineers will shine in all fields. I congratulate the team of Newsletter for taking the efforts and I wish good luck to all.

## VISION

To instil fundamental principles of civil engineering in our students which inspire them to create innovative solution.

## MISSION

To develop problem solving skills of our students through quality education

To introduce our students and faculty with outside world for their holistic development.

To serve the society through technical contribution in Civil Engineering.

## CONCRETE DAY -MODEL MAKING COMPETITION

On the occasion of Concrete Day i.e., 7<sup>th</sup> September 2023, the Department of Civil Engineering organized a model making competition for the students of second and third-year class. In this competition the students were given a set of 100 popsicle sticks and were asked to design and build a beam model. The winners were decided based on a load test in which the beam was set up to be loaded gradually till failure.

Students participated in a team of two members. All the teams came up with their unique designs for beam model. The winners were declared few days later, on Engineers Day event. First prize was bagged by Mr. Aryan Asolkar and Mr. Rohit Mhapsekar of FYCE and runner-up were Mr. Sahil Morajkar and Mr. Nivas Kanade of TYCE.

## HOD'S DESK

**P. P. Sawant**  
HOD, Civil Dept.

It's my great pleasure to announce that our department is coming with its Newsletter 'The ACHIEVERS'. Our Civil department has always been dedicated in its efforts bringing dynamism in the lives of students. The department is trying to foster all skills in our students and for this, Curricular and extra-curricular activities give outlet to the hidden talent of our students. This newsletter will focus on the students' steady development towards future. So I congratulate all for bringing this issue and I hope that we will receive good response from all.
