DIRECTOR'S DESK

Achyut Sawantbhonsale
Executive Chairman, SYBES

It is a great joy to see that Computer Dept. is coming up with its second issue of Newsletter. Departmental Newsletter is the reflection of the activities and achievements. Tomorrow's engineers should not depend on classroom knowledge only. They should give outlet to their hidden talent through curricular and extracurricular activities. Such Newsletter gives platform not only to students but also for the teachers to grab each and every opportunity to show their talent, innovative ideas for their overall development. I am very proud to say that Departmental activities and achievements will definitely help to build the image of the institute. I am sure that we will get good response from our students and parents. So I congratulate the department and wish best luck. ★★★

Editorial Committee

Editor in Chief
Mr. G. A. Bhosale (I/c Principal)

Mission 02:-
To encourage our faculty and students to participate in industry academic event.

Mission 03:-
To provide social platform that generate ethical and intrepreneurship skill in our students.

Guest Lecture on "Cyber Security and Career Opportunities"

On 10th July 2019 Computer Department of Yashwantrao Bhonsale Polytechnic, Sawantwadi arranged guest lecture on **"Cyber Security and Career Opportunities"** for second year of Computer Engineering students. The speaker for this guest lecture was **Mr. Abhijeet More, Founder of CYNN Pvt. Ltd (Expert in Cyber Security**. Mr. Abhijeet More shared his views on awareness of Cyber law, Current situation, Cyber security related issues, Method of fraud. He also explained the precautions to avoid such situations. He also briefly discussed about various cyber laws. He guided our students about the career opportunities in this field. It provides platform for students to go beyond their academic & explore their hidden talent. It is meant tomotivate the students for doing research work in technical field. Students asked their queries on Cyber Security& greatly satisfied by the answers given by speaker.

HOD DESK

Inchanalkar P.B.
HOD

I am very much happy that our Computer Department is releasing its second isssue of 'Avishkar' as a forerunner of departmental activities. It is a technical platform to bring out the hidden talents of student I joined the institute in 2019 and I am very happy with the Deparment's performance. I will try my best for the betterment I am very with the faculty and students' Co-operationDuring the academics, we will try to give our best of the best through curricular and extra-curricular activities. The activities and the achievements not only of students but also of teachers will be the guidelines for others. I hope this Newsletter will get good response from our stakeholders. So I congratulate the whole editorial team and the department also. ★★★

Inauguration of COMPESA

On the occasion of "Guru Pournima" our Computer Department of Yashwantrao Bhonsale Polytechnic, Sawantwadi formed students' association COMPESA. The purpose of this COMPESA Association is to organize various events, management of those events at departmental level. We assigned different role to students under this COMPESA association such as President, Vice-President, Treasurer & Secretary.

Industrial Visit to Sindhudurg Live

On 12th September, 2019 Computer Department of Yashwantrao Bhosale Polytechnic, Sawantwadi arranged Industrial Visit of Second Year Computer Engineering students at Sindhudurg LIVE, Sawantwadi and -astha Computer, Sawantwadi. The Purpose of this Visit was to create awareness and provide knowledge to students about emerging trends and technology used in industrial area. In these two visits,students understood how to broadcast any news after editing and how to share it to different Social Medias also how to troubleshoot the problem occurs in computer systemand how to resolve it.The visit was beneficial to all the students.

STUDENT'S ARTICLE
ABOUT WINDOWS 11

The tech industry is waiting eagerly for the news of windows 11, even a little of its news is creating sensation among them. The problem Microsoft is facing is some people are not much getting interested in the update strategy which they have adopted recently, in place of which they want to see much bigger offering from Microsoft in the form of next Windows. Microsoft is not yet open to its next big project as they are busy in giving new updates to the windows 10. In summer next year Microsoft is expected to give new update, code-name as, Redstone to the users.
