## Intellectual Property Rights, Technological Development and Entrepreneurship

**: DATES :**

**18, March 2025**  
**to**  
**20, March 2025**

### ABOUT FDP

The Faculty Development Program (FDP) on Development of Intellectual Property Rights is designed to empower educators, entrepreneurs, and innovators with comprehensive knowledge and practical skills in the realm of Intellectual Property Rights (IPR). This program delves into the critical importance of IPR for Startups, highlighting Digital IP, trademarks, and, copyrights, serve as vital tools for protecting innovations and establishing a competitive edge in the market. Participants will gain insights into crafting robust IPR strategies that align with their business objectives, ensuring that intellectual assets are safeguarded from infringement and effectively leveraged for growth. Through a series of expert-led lectures, participants will learn how to develop robust IPR strategies that not only protect their innovations but also align with their business objectives.

### OBJECTIVES OF FDP

This Programme aims to educate faculty members about IP rights and its features. The main objectives of this FDP:

- ◆ To impart basic knowledge about IP skills and IP Rights among Academicians.
- ◆ To train in patent drafting and Prior art search

### OUTCOMES OF FDP

The participants through this FDP are expected

- ◆ To develop an appreciation for the teachers' training in view of the changing perspective/role and responsibilities of IPR facilities in the 21st Century.
- ◆ Become aware of the advancements in the field of IPR.
- ◆ Get motivated in a comprehensive understanding of intricacies in various arenas of IPR.

## YASHWANTRAO BHONSALE INSTITUTE OF TECHNOLOGY

Yashwantrao Bhonsale Institute of Technology, Sawantwadi, established in 2014, is a comprehensive Technical Institute located at Charathe (Vazarwadi), Sawantwadi, enjoying a picturesque setting that is unique among the educational set-up of this region of Maharashtra. Having a distance of about 2.5 km. from city of Sawantwadi, it is a quiet and peaceful place maintaining an atmosphere where faculty and students would take the process of teaching and learning seriously. The Diploma Engineering courses in this institute prepare students for courses in technical education and professional programme in Civil, Mechanical, Electrical and Computer engineering through teaching of theory, training in drawing and required practical skills for three years.

A student after successfully completing Diploma in engineering is eligible to enter and get employed in any Government Department, Private and Public Sector establishment and in any small or big industrial unit. The more enterprising individuals may think of having their own Industrial or Business organization. -All the efforts of this institute are in this direction only  
The Infrastructure and facilities available in campus are amongst the very best

The YBIT campus spreads over 8.5 acres in beautiful and serene atmosphere ideally suited for technical education. The Infrastructure and facilities available in campus are amongst the very best. It is a wholly self-contained campus comprising of everything's that students on campus would ever require. Come it See it to believe it. Accredited & RE-accredited by National Board of - Accreditation (NBA), New Delhi.

### Achievements:

- ISTE Maharashtra-Goa section Best Polytechnic award 2022
