## **Institutional Contribution to the community Development**

At Yashwantrao Bhonsale Institute of Technology, Sawantwadi, we are deeply committed to fostering community development & giving back to society. Our institutional efforts in this regard are coordinated through the YBIT NSS UNIT, which plays a pivotal role in organizing various programs & initiatives aimed at enhancing the well-being of the community. Some of our significant contribution includes:

### **1. Tree Plantation:**

- We believe in the significance of environmental sustainability and undertake tree plantation drives & relevant awareness programs/activities to contribute to a greener and healthier environment.

### **2. School connect program for Village school students:**

- We take pride in extending our educational resources to nearby village school students, offering them awareness program relevant to technical education in various technical streams.

### **3. Road Safety awareness:**

- Promoting road safety is a priority. Our road safety awareness programs aims to educate the community on safe & responsible road practices.

### **4. Teaching moral & ethical values:**

- Our commitment to holistic development extends to teaching moral & ethical values to the students with important life lessons.

## **National service scheme (NSS):**

The National service scheme is an integral part of our commitment to community development. It serves as a platform for students to actively contribute their services for the betterment of the community and the nation while nurturing the sense of social responsibility.

It ensures that everyone who is needy gets help to enhance their standard of living and lead life of dignity. NSS is the right platform for the students to actively contribute their services for the cause of community, nation and to become responsible citizen of India. Some of the notable NSS programs organize and implemented are listed below.
